14. PLANNING

No applications were received for consultation.

- a. The Parish Council discussed an application made to Daventry District Council, DA/2013/088 (Slade Leys Farm). (Eydon Parish Council is not a nominated consultee in this instance.) Objections were noted and the Clerk was to respond with the following:

Eydon Parish Council takes the view that the application is actually for a B8 Storage building which, if approved, would result in an unacceptable concentration of the unauthorised activities carried on at the premises without the benefit of Planning Permission (see previous refusals for planning permission and certificate of lawful use) and strongly recommends that the application is refused. As the site is in open countryside where a further large industrial building would be wholly inappropriate and contrary to the Daventry District Council's planning policy to locate new industrial and commercial premises within designated areas having the appropriate infrastructure of roads and services.

- b. The parish Council considered correspondence received from Mrs Jobbins concerning a recently declined application for building permission. The Parish Council agreed it would be in a more informed permission to respond once discussions about the Local Plan consultation are complete, the Clerk is to advise Mrs Jobbins accordingly.
