

LOCAL PLAN PART 2A OPTIONS CONSULTATION

Have your
say on
your area

What the consultation is on

The consultation is on the Council's planning document, the **Local Plan Part 2A** and the Options round of the plan. The plan looks at potential ways the district could develop over the next fifteen years.

The document covers:

- the scale and type of housing development,
- the location on new employment sites,
- policies on town centres and economic development,
- community/leisure development, and
- environmental designations including green spaces and special landscape areas.

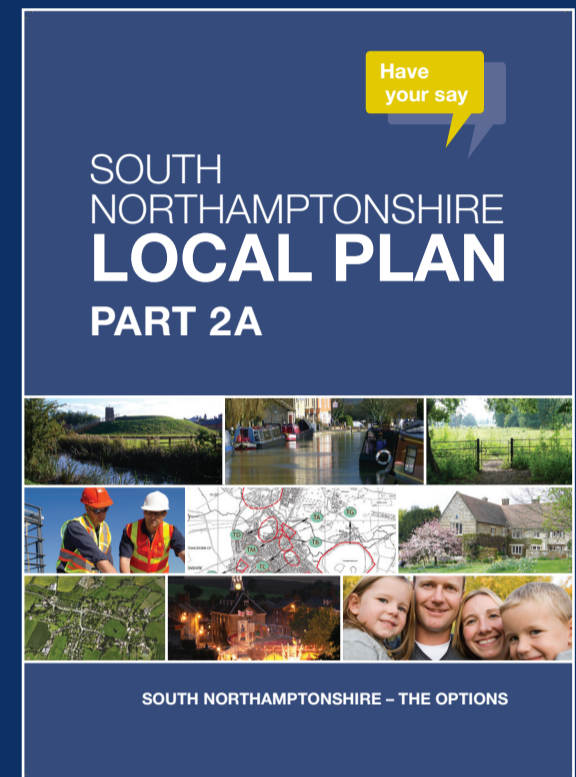

Where to view the documents:

- Online – on the Council's website at **www.southnorthants.gov.uk/planningpolicy**
- Hard copies – can be viewed at the five local libraries – Towcester, Brackley, Roade, Middleton Cheney, Deanshanger (for opening times visit the library pages on the County Councils website at **www.northamptonshire.gov.uk/**).

Documents can also be made available in different formats upon request.

Ways to get involved:

- Online – read the document and fill out the questions on the Councils online consultation system. This can be found through the planning policy pages at: **www.southnorthants.gov.uk/planningpolicy**. Wherever possible we advise this approach.
- Email – completed questionnaires/ further information to **planning.policy@southnorthants.gov.uk**
- Post – send questionnaires to **The Forum, Moat Lane, Towcester, NN12 6AD**.

All responses must be received by Friday 10th June 2016 noon

What happens next?

We will consider all responses and they will be used to prepare the next round of the Local Plan Part 2A, the 'Draft Plan'. This will be published for full consultation at the end of the year.
